

Get the Most out of Your Mainspring Managed Retirement Service

By participating in the Mainspring Managed service, you're taking advantage of a personalized, comprehensive service that manages your retirement plan savings and investments for you.

Your personalized Savings and Investment Plan takes into account your individual situation, including your account balance, annual salary increases, inflation, tolerance for investment risk, projected income needs in retirement and more.

Why not take an additional step and get even more out of the service?

By providing us with more information — such as your spouse's or partner's retirement assets or your outside retirement assets — we can tailor your recommendations even further.

It's easy. [Just call our Advisory Service Center at 800.858.5420 to give us the details.](tel:800.858.5420) We can take your information over the phone or give you a form to complete and fax to us.

Saving has never been easier.

Employers and plan participants should carefully consider the investment objectives, risks, charges and expenses of the investment options offered under the retirement plan before investing. The prospectuses for the individual mutual funds and each available investment option in the group annuity contain this and other important information. Prospectuses may be obtained by calling 877.805.1127. Please read the prospectus carefully before investing. Investments are subject to market risk and fluctuate in value.
