## Steakhouse Selections Information

Hoss's beef is grain-fed, USDA select beef.

Hoss's steaks are cut fresh daily at the Meat Fabrication Plant.

We cook every steak on a flat surface grill with heat under the cooking surface and above the steak. This drives the juices of our steaks to the center, which captures the flavor!

The following steaks are Sirloin:

- 10 oz. Thick Cut Sirloin – best value and most popular steak
- Cleaver Cut – 2-inch, thick cut, a hearty portion
- 6 oz. Thick Cut – excellent for the smaller appetite
- Tender Tips and Burgundy Tips – served with choice of sautéed onions, peppers, and/or home-style gravy  
\*Burgundy tips are marinated in Burgundy wine flavors, garlic, onion and black pepper.

The Ribeye is a generous portion cut from the rib, flavorful, and very tender.

The Filet Mignon is from the Tenderloin and is our most tender steak.

The Burgundy Steak is from the Clod (Shoulder). It is marinated in Burgundy wine flavors, garlic, onion and black pepper and is very flavorful and juicy.

Feature Steak (not on menu used as promotional item)

The Kansas City Strip is from the Shortloin and is heavily marbled for added flavor and juice.

Strip steak is a cut of beef steaks from the short loin from a cow.

When still attached to the bone, and with a piece of the tenderloin also included, the strip steak becomes a T-bone steak or a porterhouse steak, the difference being that the porterhouse has a larger portion of tenderloin included. The strip steak may be sold with or without the bone.

The Steakhouse sandwich comes from the Round.

The fresh, ground beef is 80% lean and 20% fat and served with choice of sautéed onions, peppers, and/or home-style gravy.

Hoss's encourages guests to butterfly the Cleaver Cut steak when ordered medium, medium well, or well. Butterfly is cutting the steak open to create a larger cooking surface, which allows steaks to cook quicker.

Doneness

- **Rare** - Seared golden brown outside. Raw, only warm inside, and very juicy.  
**Medium Rare** - Seared golden brown outside. Dark red and hot inside. Very juicy.
- **Medium** - Seared golden brown outside. Reddish-pink, fully cooked inside, and juicy.
- **Medium Well** - Seared golden brown outside. Few traces of pink inside. Not as juicy.
- **Well** - Seared golden brown outside. No red or pink inside. Little juice.

## Seafood Information

All of Hoss's seafood are IQF - individually quick frozen for freshness and to lock in flavor.

Hoss's prepares all broiled seafood with water and butter. Hoss's will be glad to prepare fish or shellfish in orange juice for the health conscious guests.

Hoss's seasons most seafood and broiled fish products with our own special blend of spices. We refer to this product as seafood seasoning.

The Tilapia is pond raised and served with a Parmesan Herb topping.

Our "Maryland Style" crab cake is a mixture of premium lump crab meat with old bay and various spices.

Scampi style is a garlic butter that is applied during preparation.

Our fried whitefish is a flaky, moist, mild flavored, thin cut, lightly battered, fish fillet.

Our broiled whitefish fillet is thin-cut and light flavored.

Our Salmon is from cold Atlantic Waters, has a mild flavor and may be prepared three ways.

### **Chicken Information**

Hoss's uses white, boneless, skinless breast meat for all chicken filet products.

Hoss's marinades our own BBQ and Italian filets in our own special sauce blend.

Hoss's offers a crispy chicken filet and chicken tenders buffalo style – lightly breaded and fried then basted in Hoss's hot buffalo sauce – just the right heat!

Hoss's uses white, boneless, skinless meat from the most tender part of the chicken for our chicken tenders. They are lightly seasoned, basted, and grilled to perfection.

Hoss's Famous Stuffed Chicken Breast is stuffed with our homemade stuffing using bread crumbs and special blend of seasonings. This product is prepared to create a deliciously juicy product cooked to perfection. Best served with mashed potatoes and homemade chicken gravy. This is a signature product of Hoss's.

### **Sandwich Board Information:**

All sandwiches are served with 4 ounces of French Fries as a garnish.

Sautéed onions, sautéed peppers, gravy, and the set (lettuce, tomato, pickle) are free with sandwiches.

Hoss's offers American, Swiss, Provolone, Pepper Jack, and Cheddar Cheese Sauce, and bacon as add on options for a minimal cost.

### **Miscellaneous Information:**

The full name of our restaurant is Hoss's Family Steak and Sea.

Banquet Rooms are available with special rules at each location. A manager or dining room manager are the only staff members permitted to accept banquet information.

All Hoss locations are smoke-free.

Hoss's serves any menu item for carry out.

There are no charges for items such as sour cream, extra butter, sautéed onions, sautéed peppers, beef or chicken gravy, and au jus, which are considered meal enhancements to the guest entrée.

Hoss's seasons all beef and chicken products with our own special blend of spices. We call this seasoning Magic Blend! It is a blend of garlic, salt, and pepper.
